mLINQS Promotes Michael Wong to VP Operations for Government Relocation Management

FAIRFAX, VA – (September 18, 2018) – mLINQS, LLC today announced that Michael Wong has accepted a promotion to Vice President of Operations. His focus is government employee relocation expense management. Mr. Wong joined the company at its inception in 2003, and has been serving as its Director of Product Management. He will report directly to mLINQS President Greg McIntyre.

“Michael Wong is a respected expert in both our product and government relocation,” said Greg McIntyre. “In his new position, Michael is the key executive for managing all aspects of services delivery as mLINQS moves forward. We’re very fortunate to have him on our team.”

“Results are important, and that’s what I intend to bring to my new role in the organization,” said Michael Wong. “I’m excited about our many upcoming opportunities. It’s a great time for the company, and I’m lucky to support a talented team of professionals I trust to meet our challenges.” Mr. Wong was previously a senior travel consultant with the MIL Corporation. He is a graduate of Cornell University where he earned a Bachelor of Science degree in Operations Research and Industrial Engineering.

The company’s primary product is moveLINQ, the only fully compliant, Web-based government employee relocation expense management system. Its continued market leadership stems largely from the timely, complete and secure services under Mr. Wong’s leadership. moveLINQ is currently used to support relocation for the employees of over 35 federal agencies, including 11 of the 15 federal executive departments.
